Hi Michael,

The PowerPoint presentation has been uploaded to the FTP site. It is labeled as Copy of Residential Soil Remediation (USS Lead) EPA formatting. It is the version with the date of 7/15/16. We don't have a video yet, but if we can get one before you need to give the presentation, I will add it. If there is anything else that needs edits, please let me know, and I can make the changes for you.

Thanks,

Sarah Survis
